2018-19 Helpful Hints for the District Treasurer

1. Serve as the chair of the Finance/Budget Chair

Hints: Check your District ByLaws and Standing Rules for further info on your charges as Treasurer.

Tips: Develop a skeleton budget before the meeting makes it easier to make changes, call TRTA to find out what your District membership is for the \$3.00 rebate you will be receiving, if you don't have guidelines for payments of vouchers or convention expenses, the committee should formulate one.

2. Perform administrative tasks such as signing or cosigning District checks and authorizing expense vouchers according to the budget

Hints: Only pay an expense that has receipts and part of the budget, bonding requires 2 signatures on a check, do a reconciliation and don't forget to have someone other than a check signer check your bank statement

Tips: Make sure you attach the receipt to the voucher. Make sure your District is bonded.

3. Keep an accurate record of the District's Financial transactions

Hints: Keep a check register, update Financial reports, keep your ledger ("black book") up to date, reconcile your check book to the bank statement, keep important records the required length of time

Tips: Keep a notebook with monthly dividers. Each month has the bank statement, Treasurer's Report, vouchers paid in that month, etc.. (consider folders, if you wish). Keep digital (Excel) records to check calculations; ex: check register, spreadsheet, etc.

4. Monitor the status of funds relative to the approved budget

Hints: Don't pay anything not in the budget, keep records up to date, check and reconcile bank statements

Tips: Send a monthly report to the District President to keep them updated

5. Develop the District Budget with participation of the District President and Finance/Budget Committee

Hints: Start with the ending balance of the previous membership year, add the TRTA rebate of \$3.00. Look at the previous years allotments and money used to formulate a skeleton budget

Tips: Have it ready to go on your laptop, then you can play with the numbers, give everyone a paper copy so that they can follow along and make suggestions to raise, lower or add an entry.

6. Prepare financial reports for meetings of the District Executive Committees, the Fall Convention and the Spring Leadership Training Conference

Hints: Review resource guide samples- be brief- budget spent to date, balance in the budget and balance on hand, at each meeting provide signed financial reports to the District President and Secretary for their records, at the Executive Committee meeting have one for everyone and at the Fall and Spring meeting one per table unless your District President wants more.

Tips: Use technology when possible-give your financial report to the membership on Power Point, send it to the District technology person- have her load it with the other items presented at the meeting.

Important Information: Your duties at Spring Leadership Training Conference- Be prepared to train the Local Treasurers. Ask your District President who is responsible for training the Local Treasurers- they may appoint a local treasurer. You are responsible for sending in complete information to be reimbursed for this conference by TRTA. You will get a packet from TRTA with three forms in it: 1-reimbursement conference and travel cost, 2-travel vouchers, and 3-local unit Registration forms. You will also receive the procedures for how to submit those forms.

Hints: Fill them out and return to TRTA promptly for prompt reimbursement, send in all the travel vouchers, and a registration form for each local unit.

Tips: Make sure every local President brings you a registration form of those attending with corrections if any. Don't pay any travel until you know how many to allow.

7. Assemble materials for annual audit

Hints: See preparing for an audit in resource guide

Tips: Conduct the audit as soon as possible after the membership year, if you are outgoing Treasurer, the incoming Treasurer should attend to observe the audit-lots of information for them to help with their new position.

8. Consider including Local Presidents in preparation of subsequent year's District budget Consider including the state Convention District Leadership Training Session

Hint: This is your only chance for training and more important if you are treasurer you are a DELEGATE, and remember to include the Secretary and Treasurer in budget for convention.

9. Submit to the state secretary/treasurer the scholarship/grant reporting form

District Treasurers will report their Local Units and their scholarship information to the TRTA Sec/Treasurer in February of each year. Scholarship Reporting Forms will be on the TRTA website for download.

Hint: Download and send to your local units ahead of the reporting time, so that you receive information early.

10. Perform other duties to fulfill the objectives of TRTA.

Big Tip of the Day: There are many samples in the Resource Guide check them out. Use your guide, use your resources, ask the Treasurer who preceded you. Meeting with the outgoing Treasurer can you help you gain a lot of insight and feel a lot better for the time spent.

TAX EXEMPT STATUS

The Texas Retired Teachers Association (TRTA) is a tax-exempt nonprofit organization under the Internal Revenue Code 501(c)(4). **501(c)(4) organizations, also known as membership organizations, are nonprofits that cannot accept charitable contributions.** Districts and local units are not considered tax-exempt entities unless they have applied for tax-exempt status of 501(c)(4) membership organizations.

The Internal Revenue Service (IRS) is taking a closer look at nonprofit organizations and their affiliates. The IRS is requiring all nonprofit organizations to file an annual tax return. All districts and local units affiliated with TRTA fall under this requirement.

TRTA now has a procedure in place to include districts and local units under its Employers Identification Number (EIN). TRTA districts and local units are eligible to file their annual membership activity with the TRTA *Form 990, Return of Organizations Exempt from Tax*, and take part in TRTA's tax-exempt status.

Please report the year's (July 1 – June 30) activity on Forms TR-1 and TR-2 (submitted together). The forms are located on the following pages and on the TRTA website at <https://trta.org/member-resources>. Also located on the TRTA Website in "Treasurer Forms" is an Excel spreadsheet to assist you in compiling your yearly activity. Please review the Excel tutorial that will help you complete the spreadsheet. You may submit the TR-2 in Excel format.

Please contact Rosalind Johnson, TRTA Deputy Director at rosalind@trta.org or 512-476-1622 with any additional questions or concerns.

WHAT IS ADVERTISING?

Next, how to report advertising. The amount your unit receives from a company as an advertisement like from AMBA is reported as advertising revenue. In disbursement, you cannot report a larger amount than you received in revenue. For example, you receive \$50 revenue for an AMBA advertisement in your directory, but the cost to print that directory is \$150. You still report the disbursement of \$150.

- If the contributor is not a business, then it is not advertising.
- If only the business contributor's name is listed, then it is not advertising.
- If the business contributor's name and address are listed, it is probably advertising, since it is probably displayed in an advertising format, such as a box, etc.
- If the business contributor's name and any type of solicitation, implied or actual, appears, then it is advertising.
- Sponsorships are not advertising and should be reported under miscellaneous activities.

CHARITABLE DONATIONS

(While this section applies primarily to local units, it contains information district treasurers may find helpful)

When individuals make donations to charitable organizations or foundations, in order for the donor to receive a tax donation receipt, the check must be written to the charitable entity. For example, when TRTA local units are collecting donations on behalf of the Texas Retired Teachers Foundation (TRTF), the check must be written to TRTF in order for TRTF to generate the requested tax receipt. A check cannot be made payable to the local unit or to TRTA. Although TRTA and local units are tax-exempt member 501(c)(4) organizations, they are not considered charitable 501(c)(3) organizations. Again, in order for a donation to be tax-deductible, the check must be made payable to the charitable organization itself.

The Voice For All Public Education Retirees

www.trta.org

Date: March 1, 2018

To: District Treasurers

From: Tim Lee, Executive Director

Subject: Planning for 2018 District Spring Leadership Development Conferences

Each TRTA district will host a Spring Leadership Development Conference for the purpose of preparing officers and committee chairs for the leadership positions they will be assuming in their local units. This training is essential to ensuring that the function of each position and committee will be effective. TRTA officers will be in attendance during each conference.

District presidents are responsible for planning the conference, ordering the food, and setting the agenda, among other activities. The district treasurer is responsible for handling payment and reimbursement procedures. **Drivers of qualifying cars will be reimbursed at the conclusion of the conference or later, and will be asked to complete the travel vouchers at the conference for "on-the-spot" reimbursement. Paid travel vouchers will then be sent to the TRTA office. Districts will be reimbursed for conferences costs (\$100 per local unit attending) and any paid travel vouchers.**

All districts have made arrangements for the location of their conferences. A listing of the 2018 District Spring Leadership Development Conferences is included with this letter. The materials in this packet are provided to assist each district in planning and executing a successful conference. If you have any questions, please call the TRTA office for assistance.

This packet of materials for the District Treasurers includes:

To assist with financial and reimbursement procedures:

- Financing and Payment Reimbursement Procedures [D]
- Reimbursement for Conference and Travel Voucher Costs [E]
(to be submitted to TRTA office by the district treasurer after the conference)
- TRTA Travel Voucher [F]

For your information only:

- Planning a Successful District Spring Leadership Development Conference [A]
- Suggested Agenda [B]
- Local Unit Registration for District Spring Leadership Development Conferences [C]
- 2018 District Spring Leadership Training Conferences, www.trta.org/district-meetings

The following information details how the District Spring Leadership Development Conferences are financed and how expenses are reimbursed to the districts and individuals. **Please note the travel voucher reimbursement procedure. If you have any questions, please call the TRTA office.**

FINANCING THE DISTRICT SPRING LEADERSHIP DEVELOPMENT CONFERENCES

1. **Travel Vouchers.** All travel voucher requests will be completed by the qualifying drivers at the conclusion of the conference. The district treasurer will reimburse qualifying drivers either at the conference or later. Paid travel vouchers should then be submitted to the TRTA office by the district treasurer for reimbursement.
2. **Conference Costs Reimbursement.** A maximum of **\$100.00 for each local unit in attendance** at the conference will be provided by TRTA. This amount is provided to help pay for food and, if necessary, rental space. Additional expenses are to be covered by the local units/districts.

REIMBURSEMENT PROCEDURES

1. **Travel Vouchers.** The district treasurer will provide travel vouchers to each driver of a qualifying car and ask him/her to complete the form for his/her travel costs to the conference. All travel vouchers for qualifying cars will be reimbursed to drivers by the district treasurer from district funds. This can be done at the conclusion of the conference or later. TRTA will reimburse the district for the payment of the vouchers. All paid travel vouchers should be attached to the "Reimbursement for Conference and Travel Costs" Form E. TRTA will provide limited travel expenses by paying \$0.545 cents per mile for qualifying cars. The car allowance per local unit is as follows:
 - one car if up to four (4) persons attend (from a single local unit)
 - two cars if five (5-8) persons attend
 - three cars if nine (9-12) persons attend
 - four cars if thirteen (13) or more persons attend
2. **Local Unit Registration for District Spring Leadership Development Conferences.** The district treasurer will complete a copy of the "Local Unit Registration Form for District Spring Leadership Development Conference" for each local unit as the participants register at the conference. This will provide an accurate listing of participants attending from each local unit. The district secretary should be asked to assist with this activity.
3. **Reimbursement for Conference and Travel Voucher Costs.** The district treasurer will be responsible for paying all conference bills (meals, room rentals, travel vouchers, etc.) from the district account. This will require the district treasurer to collect, at the time of the registration, payments for lunch from conference guests. The expenses of the team leaders, consultants and other eligible participants will be included in the reimbursement from TRTA. The district treasurer will complete the "**Reimbursement for Conference and Travel Voucher Costs**" form. Receipts supporting all conference costs along with all travel vouchers should be attached to the "Reimbursement for Conference and Travel Costs" form.

FORMS SUBMITTED TO TRTA FOR REIMBURSEMENT.

The following forms will be sent to TRTA **no later than two weeks after the date of the conference.**

These forms include:

- **“Reimbursement for Conference and Travel Costs” Form E.** This completed form signed by the district treasurer with paid travel vouchers (Form F attached to Form E) should be submitted to the TRTA office.
 - **“RTA Registration Form for District Spring Leadership Development Conference”.** One completed form from each local unit in attendance must be submitted.
1. **Reimbursements.** TRTA will reimburse the districts according to the following criteria:
 - \$100.00 for each local unit represented (even if only one person from a local unit comes to the conference) to help pay for food and, if necessary, rental space.
 - Paid travel voucher requests will be reimbursed to the district.
 2. **Advance Requests.** A district not having the funds to cover the costs of the conference may request an “advance.” This “advance” may be no more than \$100.00 for each local unit in attendance the previous year. Districts are encouraged not to ask for an “advance.”
 3. **Reimbursement Goal.** The TRTA office will have as its goal the reimbursement to the district and the payment of the travel vouchers within two weeks after receipt of the documents from the district. This can be accomplished only if all the forms required for reimbursement are returned within the two-week period as requested.

COMPLETE AND HAND TO DISTRICT TREASURER AT THE CONFERENCE

PLANNING A SUCCESSFUL DISTRICT SPRING LEADERSHIP DEVELOPMENT CONFERENCE

The following information will detail the responsibilities of a district president as he or she plans for the District Spring Leadership Development Conference.

CONFERENCE TEAMS

A state officer will be assigned to each district. The officer will attend the conference and may assist in presenting conference activities, but not necessarily as a group leader. **The leaders of the small group sessions should be district officers and committee chairs.**

CONFERENCE AGENDA

A sample conference agenda is included in this packet. This sample agenda provides suggested scheduling, a format for the general session, a listing of the eleven (11) leadership training sessions that will be presented, and a format for the presentations to be made after lunch. Each district president will adjust the agenda and schedule to meet the needs of the district. Copies of the agenda should be available for the conference participants. **A copy of the agenda should also be sent to state officer and to the TRTA office.**

RTA REGISTRATION FOR DISTRICT SPRING LEADERSHIP DEVELOPMENT CONFERENCE

The Local Unit Registration for the District Spring Leadership Development Conference Form, when completed, provides a list of the participants from each local unit. The Local Unit Registration Form is emailed to each local unit president to be completed. Each local unit president should email the district president a copy for meal planning. Each local unit president is to bring three (3) copies to the conference. Instructions for the local unit presidents are printed on each registration form.

SETTING UP THE DISTRICT CONFERENCE

The district president is responsible for:

- Preparing a packet of information for each local unit in the district. This packet will consist of:
 - Conference location, date, time, etc.
 - Map of the location and area, if appropriate
 - Local Unit Registration Forms for District Spring Leadership Development Conference
 - Other pertinent information
- Distribution of this packet of materials with instructions to every local unit in the district.

SETTING UP THE LEADERSHIP TRAINING SESSIONS

The district president is responsible for:

- Setting up the small group leadership training sessions. **The purpose of these sessions is to train local unit officers and committee chairs about their specific areas of responsibility.**
- Appointing district officers and committee chairs to chair and present each of the leadership sessions. **District officers and district committee chairs primarily are responsible for training the local unit officers.** These district officers and committee chairs should have received training in their areas of focus at the annual convention. Incoming district officers and committee chairs also need to attend.
- Ensuring that each leadership session has a knowledgeable chair. Substitute leaders may be assigned to conduct a training session if a district officer/chair is not available. Small group sessions must include and be chaired by the district officer/chair for that particular position.

A training session for each of the following eleven (11) officers: President, First Vice-President/Membership Committee, Second Vice-President/Public Relations, Secretary, Treasurer, Community Volunteer Service Committee, Health Care Committee, Informative and Protective Services Committee, Legislative Committee, Member Benefits Committee, and Retirement Education Committee.

HELPFUL INFORMATION

1. Food is always the most expensive item. If possible, food orders should be based on a “plus or minus a given number of servings” plan.
2. The district president should stress the need to receive one copy of the RTA Registration Form from each local unit as soon as possible in order to plan for the number of food servings.
3. Additional group sessions can be added, but at the expense of the district. The amount allocated for food and rent does not allow for more than the eleven leadership training sessions scheduled.
4. Travel vouchers will be paid to drivers at the conclusion of the conference. District treasurers will submit conference costs and paid travel vouchers to the TRTA office for district reimbursement.

These materials are being sent to you early so that you can plan for a successful District Spring Leadership Development Conference. If there are any questions, please contact the TRTA office.
