

TEXAS RETIRED TEACHERS ASSOCIATION

Membership Matters

TO: Retired School Personnel

FROM: Perla Guerrero, Membership Chairperson

GREETINGS:

Did you know?

The Texas Retired Teachers Association is the only organization in Texas that works exclusively for the retired school employee. **This Year** we are working hard with legislators to keep our health insurance premiums from going up; however, we need all education retirees to join with us to protect our benefits. We want to give you the opportunity to provide a vote of support to those who are working to:

- Protect retirement funds
- Secure a raise in our annuity
- Protect and improve current TRS CARE HEALTH insurance and pharmacy programs.
- Ensure the governance of TRS to maintain it as a trust fund as mandated in the Texas Constitution.

TRTA has also developed a Member Benefits Program that includes insurance, travel, and many other programs.

Our local association meets monthly, September through May. Some of our activities include:

- Programs of benefit or information at each meeting
- Refreshments and social time before meetings
- Support student scholarships
- Volunteerism
- Children's Book Project
- Teddy Bears for San Patricio County Law Enforcement Centers
- Christmas for Kids program

Complete the application and mail today. We would like to have your name in the yearbook!

SAN PATRICIO COUNTY RETIRED SCHOOL PERSONNEL
