

The Laredo Area Retired School Employees Association (LARSEA) and TRTA advocates for the economic, social, and well-being of retired school employees. Please join us in 2019-2020. Your membership empowers TRTA representatives to continue the fight to improve and protect TRS benefits. Remember, there is strength in numbers!

TRTA state annual dues are \$35, and local annual dues are \$15. Each member contributes \$5 to the scholarship fund from their local dues. Members who are renewing their membership pay their dues between March and May. New members are welcome at any time.
