

CSRA (Castleberry School Retirees Association) welcomes all retired personnel from Castleberry ISD. We are blessed to have the school district provide a meeting place at one of the school buildings of the administration building at least 4 times a school year in which a meal is provided. It is a time to visit with other retired personnel and to catch up on the latest information about what is happening with the different aspects of the district and state organization.

We generally meet on Thursdays at 11am in Sept., Dec., Feb., and May on dates given to us the Castleberry administration to fit their schedule.
