MONTGOMERY COUNTY ASSOCIATION OF RETIRED SCHOOL PERSONNEL

Montgomery County Retired School Personnel Members,
It is with great appreciation and pride that we are ending our terms as Co-Presidents. The last few years have been different and all of us have adjusted because that's just what teachers do. However, with excellent officers, chairmen and all the volunteers the job was easy. All members pulled together to bring success to the chapter. Everyone was unbelievable! A special thanks to all for serving.

Sincerely, Karen and Annette

Community Participation

While summer is now upon us, if you are bored, twiddling your thumbs, staying in out of the heat, or generally looking for something to do, remember volunteer hours for MCRSP still count so reach out and make some phone calls. You can also count time you check on your neighbors, deliver groceries to someone, choir rehearsal, dog watch, kid watch, etc. etc. etc. This helps show legislation the contribution of retired teachers which helps encourage them to vote for our benefits so keep track of those hours, record them, and be ready to turn them in at the beginning of 2023. Norma and Nelwyn are continuing to Co-Chair this committee so they will be bugging you!

Looking forward to seeing those numbers G-R-OW!
